

Introducing Push Button Billing

Imagine billing made so easy it happens at the push of a button. The new Turbo PT billing does just that.

- **Generate claims** and receive EOBs instantaneously from directly within Turbo PT at the push of a button.
- **Save time** logging on, uploading claim files, and fixing error on third-party websites
- **Easily perform** an Eligibility Benefit Inquiry (EBI). No more phone calls to verify valid insurance, copays, and deductibles.
- **Get immediate feedback** on whether your claim is rejected or accepted.

Hundreds of PT Private Practices just like yours are realizing tremendous cost savings by taking control of their revenue cycle away from third parties who charge 6% or more of your hard earned gross collected revenue.
